

**TRUCKING &
TRANSPORTATION****Galloway Johnson | Trucking & Transportation Practice**

Trucking accidents require immediate attention. Galloway Johnson Trucking & Transportation lawyers are knowledgeable in governmental requirements and short deadlines for drug and alcohol test administration, and are experienced in evidence preservation, investigation of the incident, and evaluation of potential exposure. Immediate response is crucial in catastrophic accidents involving severe injury or death.

Galloway Johnson has created an emergency response team to provide immediate counsel when incidents occur. Our team members each have more than 10 years of experience in investigating and handling trucking and catastrophic claims, and stand ready to respond via telephone or e-mail, 24 hours a day, 7 days a week, to assist in claims investigation and handling. Galloway Johnson also works closely with local independent adjusters and accident reconstruction experts to assist as necessary.
