

# Joe Hassinger Earns Designation as Certified Litigation Management Professional...

---

Following his completion of the CLM 2011 Litigation Management Institute, GJTBS Director Lambert Hassinger (Joe) has earned the designation of Certified Litigation Management Professional (CLMP). That designation recognizes his understanding of and commitment to the business of managing litigation, as well as the value, skills and knowledge he brings to his business and client base.

The Litigation Management Institute is an intensive multi-day program hosted at Columbia Law School. The Council on Litigation Management presented executives with extensive litigation experience to share their insight into client relations, experience and confidentiality; reserving and data management; alternative fee arrangements; coverage perspectives; risk transfer; strategic implementation of the litigation management plan; resolution strategies, and document and file management.

"The Institute exceeded my expectations," said Mr. Hassinger. "It was dynamic, intensive and challenging. Industry leaders from across the country provided us with invaluable insight, strategies and best practices to enhance effective case management and maximize return for our clients."
