

Parker Bradley, Associate

Overview

A diligent worker who sees every task through until the end, Parker Bradley is a fierce litigator in and out of the courtroom. Parker understands the importance of representation and always works to ensure every client's need is addressed. Honesty and integrity with clients are integral parts of Parker's approach to working with

clients, and as a result, clients can always expect to hear a direct and clear answer to their questions.

Parker's admiration for the legal profession was directly inspired by his mother, a personal injury attorney in California. The first job he ever had was working in her law office, and he always admired her passion for law. While working at her California law firm, Parker gained direct experience in Personal Injury. He gained further experience in Criminal Law as an Assistant District Attorney for the Orleans Parish District Attorney's Office, and foreclosure and eviction experience as an Associate at LOGS Legal Group, LLP.

Having grown up in Northern California, Parker has always maintained a love of the outdoors. When he and his wife aren't working, they enjoy camping, hiking, or, at the very least, taking their dogs for a walk through the park.
