

Hurricane Idalia

Due to Hurricane Idalia, our physical office in Tampa will be closed beginning Monday, August 28th through Wednesday, August 30th; however, we continue to work remotely. We anticipate the office being open on the 31st but will continue to monitor the situation. If you need to reach an attorney, please feel free to email them directly or you may call 813-977-1200. We hope all are safe and thank you for the opportunity to be of service.
