

World Waterpark Association To Present Webinar On Social Networking Sites...

World Waterpark Association to present Webinar on Social Networking Sites.

WWA will present a webinar on April 6th titled "Face to Face With Your Employees on Facebook: A primer for employers on monitoring social networking sites." This seminar was originally presented by IALDA attorneys at the most recent WWA annual conference. For further information go to www.waterparks.org/education. For further information on the International Amusement & Leisure Defense Association go to www.ialda.org or contact its president Joe Hassinger at jhassinger@gjtbs.com.
