

GJTBS Director Joe Hassinger Serves as Instructor at LADC Annual Trial Academy

The Louisiana Association of Defense Counsel held its annual Trial Academy in August. GJTBS Joe Hassinger was privileged to serve as an instructor. He comments that, "this was a three-day, learn by doing, intensive training program. I was impressed both by the quality of instructors and the skill of the participants. Participating as an instructor in such top notch programs not only gives me the opportunity to serve the Bar, but also makes me a stronger advocate. I am glad to have had the opportunity."
