

Pensacola Office Participates in YMCA Corporate Cup Games

On October 18, Galloway Johnson's Pensacola office participated in the Northwest Florida 2014 YMCA Corporate Cup and placed 7th out of 32 teams in the Corporate Cup Games. The Corporate Cup Games are an Olympic-style, co-ed team competition that celebrates health and wellness in the workplace while emphasizing teamwork, communication and team building. Galloway Johnson strives to meet these goals through friendly competition in events such as the Corporate Cup Games that focus on togetherness and fun. Proceeds from the Corporate Cup go to support YMCA Mission Impact Programs.
