

# Lafayette Attorney Obtains Successful Trial Court Defense Ruling on UM Summary Judgment

---

Katie Penny, an attorney in Galloway's Lafayette office, was successful in having the trial court grant our client's Motion for Summary Judgment, finding no coverage existed under the Business Auto policy in an uninsured/underinsured motorist (UM/UIM) claim because the insured company's coverage selection of only "owned autos" for UM/UIM coverage in the policy excluded coverage for an employee driving a non-owned auto in what she alleged was the course of her employment.
