

Flood Protection Authority-East's First Edition of New Quarterly Newsletter

The Flood Protection Authority will be bringing you news and information about our critical, state-of-the-art flood defense system and the team that manages, operates and maintains that system through future newsletters and other publications. To view the newsletter, please follow the link here: [FPA Newsletter 2018](#).

For additional information about the Authority and our Flood Defense System, visit our website "[floodauthority.org](https://www.floodauthority.org/)" by clicking on the link: <https://www.floodauthority.org/>

Comments, suggestions and additions to our subscription list can be sent to:
