

Galloway Directors Kenneth Hall and Sarah Baggett Obtain Summary Judgment for Insurance Carrier

Kenneth Hall and Sarah Baggett, Directors in Galloway's Tampa, Florida office, prevailed on a motion for final summary judgment in Alachua County Circuit Court. An assignment of benefits contractor filed suit against our client after the insurer paid policy limits, arguing that the limit didn't apply based on a flawed interpretation of the law and ordinance and emergency repair services provisions of the insurance policy. Our attorneys also secured enforcement of an expired proposal for settlement, requiring the plaintiff to pay attorney fees and costs. The plaintiff appealed the ruling to the 1st DCA, but later dropped the appeal and agreed to resolve the lawsuit.
