

# Negotiation & Mediation Advocacy

---

This spring, New Orleans Director Joe Hassinger will once again serve as an adjunct professor at Tulane Law School, in a class entitled, "Negotiation & Mediation Advocacy."

This class is led by Tulane Professor Gabe Feldman. "It is an honor to serve as an instructor with Professor Feldman," explained Joe Hassinger. "I have the opportunity to help instill valuable negotiation and mediation skills to a highly-motivated group of young professionals – and doing so makes me a better negotiator and mediator!"
