

Tips for Employers: Top 5 Employee Policies for 2022

Are you ready for 2022's employment challenges? For employers, updating (or introducing) an employee handbook often feels like a thankless task. As employment lawyers, we see the pitfalls employers face when they do not utilize written employment policies and/or when their employee handbooks are outdated. To help employers meet those challenges, here's what we think are the Top 5 employment policies this year.
