ABOUT JACOB

Clients know that they can expect zealous representation and an open line of communication from Jacob Soto. He ensures that he is easily accessible to each of his clients, and his philosophy is that clients should not, and will not, go it alone.

Jacob focuses his practice in the areas of premises liability, personal injury, construction defect, property damage, and maritime litigation.

Born and raised in Spring, Texas, Jacob loves the city of Houston, and is no stranger to life downtown. During his childhood, Jacob spent summers as a clubhouse attendant for the Houston Astros, where he spent time working alongside Major League Baseball players from all walks of life, and received a 2017 World Series ring courtesy of Jim Crane, the owner of the Houston Astros. When not providing for his client, Jacob can be found enjoying a round of golf or exploring downtown Houston.
