ABOUT KRISTINE

Thriving under pressure, Kristine DeSoiza holds a tremendous level of respect towards her role of advocate for her clients. She actively works to deliver the best possible outcomes, knowing that each client’s objectives are unique and specific.

Her practice is focused on insurance, construction, entertainment, and trucking & transportation law. Kristine has years of experience litigating complex claims, involving commercial motor vehicles, motor vehicles, catastrophic injuries, wrongful death, and extracontractual damages, as well as multi-party construction cases and mediations. She has represented clients at all stages of the legal process, including pre-suit matters, claims, disputes, early resolution, and settlements. Additionally, Kristine has prior experience representing insurers in bad faith litigation, first party, and third party bad faith claims.

When not championing her clients, Kristine enjoys spending time with her dogs, Snoop Dogg and Charlie. She also considers herself a huge “foodie.”
