ABOUT LIANA

Liana Dixon is a Houston-based civil defense attorney who represents businesses and insurers in litigation throughout Texas. Her practice focuses on personal injury and insurance defense, including premises liability, slip-and-fall claims, motor vehicle accidents, and trucking and commercial transportation litigation.

Before her civil defense practice, Liana practiced family law, which provides a well-rounded approach to litigation, negotiation, and zealous advocacy. She keeps her clients well informed throughout the case lifecycle, identifies strategic opportunities to strengthen the defense position, and moves cases toward a just resolution.

When not advocating for her clients, Liana likes to take her kids to the trampoline park or playground, play with her dogs and cats, do puzzles, and relax in her hometown of Houston.
