ABOUT VARSHA

Varsha Mynampally is a litigator based in Houston, where she represents businesses and their insurers in complex matters across Texas. Her practice focuses on insurance defense, particularly personal injury and casualty matters involving transportation-related incidents and motor vehicle accidents. Varsha manages matters from early case assessment through litigation, including liability evaluation, discovery, depositions, mediation, and negotiation toward resolution.

Organized, practical, and detail-oriented, Varsha focuses on understanding the facts early, identifying key issues, and maintaining clear communication with clients throughout the litigation process.

Varsha also has experience representing plaintiffs in personal injury matters and handling a high-volume docket that included automobile and commercial trucking cases. This experience informs her perspective in anticipating how opposing counsel may evaluate a particular case. Varsha has additional experience in labor and employment, commercial litigation, toxic tort, and health law matters.

Outside of her practice, Varsha enjoys traveling, exploring new restaurants, and spending time with her family. She especially enjoys discovering new places and experiences, whether visiting a new city or trying a new restaurant.
